The Ultimate Explosion Proof Camera

Higher quality photos, 4K video capturing: Pixavi Cam is the successor of the market leading explosion proof camera Gravity X.

Whether it's documenting, live-streaming, or routine inspection, capturing images and video in a hazardous area must always be easy and hassle-free. That's why the intrinsically safe Pixavi Cam is designed to be user friendly - a 5.5" AMOLED display makes capturing images and video simple and easy,

even while wearing gloves. Its low weight and compact size means it can always be at the ready – either in a pocket, or easily carried with a dropped safety strap.

Advantages include:

- 4K Ultra HD Recording
 - 12.2 MP Camera
- Ultra-bright AMOLED display
- Dedicated programmable button

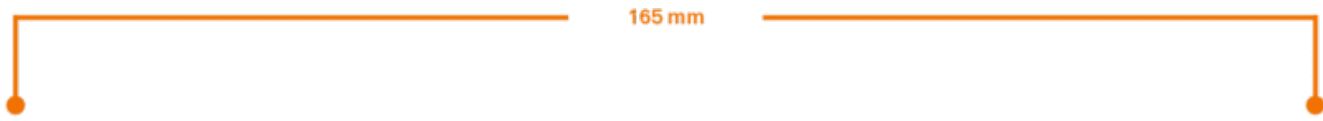

Explosion Proof Excellence

BARTEC is a world-leader within explosion proof equipment, and a pioneer within intrinsically safe devices.

Safety is our first and foremost priority, and we set the highest possible standards to the safety and integrity of our devices. Purpose engineered for the strictest EX requirements, the intrinsically safe Pixavi Cam can be used in the toughest environments all over the world.
